

## **ADDITIONAL REQUIREMENTS FOR ORGANIZATIONS APPLYING FOR FEDERAL ASSISTANCE**

All organizations applying to receive Federal assistance must have a Dun & Bradstreet Number (DUNS) before the application is submitted, a CCR (NCAGE) number, and an active account with the System for Award Management (SAM.gov) **before an award can be made**.

Please note that process of registration on the SAM.gov portal can take substantial amount of time, so we recommend starting the process as early as possible.

**Dun &Bradstreet DUNS** - A DUNS number may be acquired at no cost by calling the dedicated toll-free DUNS number request line at 1-866-705-5711 or requesting on-line at [www.dnb.com](http://www.dnb.com). The DUNS number is a nine-digit number established and assigned by Dun and Bradstreet, Inc. (D&B) to uniquely identify business entities. All organizations applying for U.S. government grant funds must have a DUNS number. To obtain a DUNS number, please follow the steps below:

1. Go to <http://fedgov.dnb.com/webform/pages/CCRSearch.jsp>.
2. Select the country where your organization is physically located. Complete and submit the form. Organizations will need to provide basic information, including physical and mailing addresses, name and title of the chief executive, primary Standard Industrial Code (SIC), and annual revenue. Typically, organizations can complete this process in one day and have a DUNS number emailed to them. For technical difficulties in obtaining this number, please contact D&B at: [govt@dnb.com](mailto:govt@dnb.com).

**System for Award Management (SAM)** - SAM is a U.S.-government wide registry of vendors doing business with the U.S. federal government and requires annual renewal. The system centralizes information about grant applicants/recipients, and provides a central location for grant applicants/recipients to change organizational information. More information about SAM.gov and useful guides for setting-up a new account, updating an existing account, or renewing an expired account can be found at: <https://www.statebuy.state.gov/fa/Pages/SAMInfo.aspx> Foreign-based applicants are strongly encouraged to review these guides when creating an account with SAM.gov. Further, applicants must maintain an active account, with current information, while its application is under consideration for funding. To keep an active SAM.gov account, Applicants must renew it at least once each year. If an account expires, the Organization cannot submit a grant application until it is renewed.

To create a new account, please follow the steps below:

1. Go to <http://www.sam.gov>.
2. Select Create User Account, and then select Create an Account on the left-hand side of the screen under Individual Account Details. Organizations must have DUNS number and a CAGE number (US Domestic Organizations) or a NCAGE number (Foreign Organizations), to create an account.
3. Complete and submit the online form. If the applying organization already has the necessary information on hand (see the SAM User Guide), the online form takes approximately one hour to complete, depending upon the size and complexity of the applying entity. Because of the different steps in the process, it can take anywhere from

three to fourteen days to complete the process of creating an account with the system. For help with SAM.gov, please visit their support page at: <https://www.fsd.gov> or contact them at: (+1) 334-206-7828.
