Notes:

- Budgets should contain an estimated amount for bank fees.
- Funding should not duplicate on-going activities but could supplement such initiatives.
- The Alumni Grants Commission may encourage applicants to seek funding from other donors and to offer some type of **cost sharing** (volunteer time, space, equipment etc.)
- Funds should not be used for **food expenses**. However, if coffee breaks or working lunches for seminar/conference participants are an integral part of the overall project, and funding is not available from other sources, these costs may be covered but should be limited to a maximum of 10% of the total award amount. Meals should not include alcoholic beverages.
- **Salaries** are discouraged because alumni activities are usually in addition to regular employment. Whenever necessary, **compensation** in reasonable amounts can be paid to project's key personnel for the portion of their time devoted to the work in this project. Compensation levels should be no higher than other local salaries (where appropriate), and should include all taxes. The total amount of compensations requested should not exceed 30% of the overall budget.
- **Entertainment costs** (receptions, social activities, ceremonies, alcoholic beverages, cocktail parties, guided tours) are not allowable expenses.
- **Transportation costs** within Ukraine should not include airplane tickets and "luxury" train compartments ("SV") or "luxury" buses.
- The use of "**miscellaneous expenses**" or any similar term as a budget item is unacceptable.

PROCEDURAL INFORMATION

Public Affairs Section (PAS) serves as a clearinghouse for the receipt and processing of proposals. Alumni Grants personnel are responsible for pre-screening of all incoming proposals prior to their submission to the Alumni Grants Committee.

The Alumni Grants Committee serves as the primary decision making body for the award of Alumni Grants. Those proposals approved by a majority of the Committee members will be forwarded to Washington for a final review. The final review and approval process focuses on project eligibility and sustainability. After the award is made, the PAS office assumes responsibility for management of the grants. PAS requires that grant funds are expended appropriately and accounted for in submitted reports.

IF YOU HAVE NOT RECEIVED A CONFIRMATION OF RECEIPT OF YOUR APPLICATION WITHIN 5 WORK DAYS, PLEASE CALL U.S. EMBASSY ON 521-5766 OR 521-5149 TO INQUIRE ABOUT THE STATUS OF YOUR APPLICATION.
