DOCUMENT CHECKLIST:

1. PASSPORTS: A passport must be valid for travel to the United States and must have at least six months' validity (8 months' for immigrant visas) beyond the planned date of travel to the U.S.

NOTE: CHILDREN WHO HAVE THEIR VISAS IN THEIR PARENTS' PASSPORTS, can only travel with the parent who also has a valid U.S. visa.

CHILDREN WITH U.S. VISAS IN THEIR OWN TRAVEL DOCUMENTS, can travel to the United States on their own.

2. BIRTH CERTIFICATES: You must submit an original of birth certificate for **each person** named in the petition and who is applying for a visa. Birth certificates must be presented for all unmarried children under 21 years old. The certificate must state the date and place of birth and the names of both parents. The certificate must also indicate that it is an extract from official records. If you or any children were adopted, you must submit the final adoption decree.

SINGLE/DIVORCED/WIDOWED AND MARRIED APPLICANTS WITH CHILDREN FROM PREVIOUS MARRIAGES will be questioned about child's custody status and should come prepared to discuss the issue and provide any related documents they may have. The Ukrainian government has certain requirements for children traveling outside Ukraine. You may contact the government of Ukraine to find out more about the requirements applicable to your specific situation.

3. POLICE CERTIFICATES: Applicants aged 16 years and older must submit a police certificate from the country of nationality and the country of residence at the time of visa application, if the applicant has resided there for six months or more. (For example, an 18 year old Russian citizen residing in Ukraine must present a police certificate both from Russia and Ukraine). Police Certificates from Ukraine should be "FULL" («ПОВНА»), not "SHORT" («СКОРОЧЕНА»).

Fiancée visa applicants must present a police certificate from all countries where they resided for 6 months or more after the age of 16, including the republics of the former USSR.

A police certificate must also be obtained from the police authorities of any place where the applicant has been arrested for any reason, regardless of how long he or she lived there. Police certificates must cover the entire period of the applicant's residence in any area. A certificate issued by the police authorities where the applicant now resides must be of recent date when presented to the consular officer. The term "police certificate" as used in this paragraph means a certification by appropriate police authorities stating what their records show concerning each applicant, including all arrests, the reasons for the arrests, and the disposition of each case of which there is a record. In Ukraine the certificate **must be obtained in the oblast centers** from the Departments of Information Technology at the Ministry of Internal Affairs, or in the [local MIA service centers](#). The police certificate is valid for ONE YEAR. All police records issued for visa applicants who have changed their names need to bear all the names applicants have used. These include maiden names and names from previous marriages. If the name was obtained through means other than marriage or divorce, it should be listed on the police certificate as well. Certificates issued solely under the applicant's current name will not be accepted.

NOTE: Police certificates from certain countries are considered unobtainable. To check the availability of police certificates in other countries, please go to <http://www.travel.state.gov>. The information is located under VISAS – FEES AND RECIPROcity TABLES link.

4. MILITARY RECORDS: A military record, if applicable and obtainable, is required.

5. PHOTOGRAPHS: Two photographs for each applicant regardless of age (including children) with light background, size 50x50 mm, are required (the photos cannot be more than 6 months old). No head covering or glasses may be worn. Photos should be trimmed and signed (last name and given name on the backside of each photo).

6. EVIDENCE OF SUPPORT: Any evidence **from your American spouse/fiancé(e)** which will show the consular officer that you and members of your family who will accompany you will not become public charges while in the United States. Documentation regarding financial support can be in any form – preferably one year of IRS tax transcript, W-2s, bank statements, earning statements, letters from employers. **PRESENTING ONLY THE AFFIDAVIT OF SUPPORT I-134 FORM IS NOT SUFFICIENT. The I-864 form is not required for a fiancé(e) visa.**

7. MARRIAGE CERTIFICATES: Previously married persons are required to present their marriage certificate or change of name certificates if they no longer have their marriage certificates. **If the marriage certificate from the previous marriage has been submitted to the registrar's office at the time of divorce, a change of name certificate must be obtained from the registrar's office (RAGS).**

9. DIVORCE/DEATH CERTIFICATES: Divorce certificate as a proof of the termination of any previous marriage must also be submitted. If the spouse is deceased, a death certificate should be submitted. Divorce certificates must be obtained at the local registrar's office (RAGS). Court decrees terminating marriage are acceptable only if issued in Ukraine after July 27, 2010.

10. PROOF OF RELATIONSHIP: Letters, e-mails, photos, phone bills, skype logs. Electronic media is not acceptable.

11. MEDICAL EXAMINATION: All visa applicants must have medical examinations at the time of the interview. See attached medical examination requirements. The applicants for K visas are not required to submit proof of vaccinations (vaccinations will be required when you adjust your status to LPR while in the U.S.). Therefore applicants may wish to consider carrying their vaccination records with them to the United States to facilitate this process.
